

## S&J Synergy – November 2021

### New Arrivals!

Here at S & J Synergy we would like to reveal the new additions to our Trucks.

Welcoming our new Skip truck and Unit onto site is our Transport Manager, Ashley, allowing S & J to service our on-going and new contracts.

Our new truck also features some of our very own team!

These are the first lot of results from the Face on the Door, watch this space for more faces and more vehicles...

Looking for help or need some advice on your waste removal? Contact us today!

Call us on **01482 221217**.

### Hazardous Waste Disposal

One of the many services we offer here at S & J Synergy is Hazardous Waste Disposal, this involves the safe and quick removal of;

- Asbestos
- Oils
- Solvents
- Chemicals

AND MORE!

We are able to help you every step of the way, and we keep up to date with all legislation to ensure a safe and easy process is carried out. We can provide support and knowledge to make sure that any Hazardous Waste is collected and disposed of correctly.

If in doubt, give S & J a shout!

### Bonfire Night...

Bonfire Night is an annual British commemoration observed on 5 November to celebrate the failure of the Gunpowder Plot in 1605. Effigies of Guy Fawkes are often placed on these bonfires to burn. In modern times, fireworks are also synonymous with 5 November.

#### How To Enjoy a Greener Bonfire Night?

- Only use natural materials on your bonfire
- Use Eco-Friendly fireworks
- Avoid using Sky Lanterns (some parts of Sky Lanterns can take over a year to completely biodegrade)
- Clean up after! Ensure you dispose of all waste accordingly

These are just some of the ways to enjoy and make Bonfire Night a Greener Celebration!
