

### S&J Synergy – November 2022

#### New Addition...

S & J Synergy are happy to welcome our New Addition to our fleet!

This is the addition of our brand-New Skip Truck featuring some of our office staff: Savannah, Emily, and Charlotte.

Our Skip Truck can transport the skips from 8 Yards to 16 Yards.

#### Team Update

S&J Synergy are pleased to welcome, **Aaliyah Brewster** is our new **Administration Apprentice**. Aaliyah is currently supporting the team in reception and administration duties whilst undertaking a level 3 business administration qualification. Aaliyah has a level two coaching badge and a diploma in sporting excellence.

**FUN FACT:** Aaliyah is currently Hull KR women's captain and has played rugby league since the age of 6.

S&J Synergy wish a warm welcome to **Tom Smith** who has joined our team predominantly as **Administration assistant**. However, Tom has helped in multiple departments including the weighbridge. Tom has a degree in sports management and football studies.

**FUN FACT:** Tom has worked on cruise ships being a children's entertainer for 4 years traveling all around the world on a royal Caribbean cruise ship.

S&J Synergy would also like to welcome back **Louise Upfold** who is one of our **Accounts Assistants**. Louise has returned to work, after starting in January of 2021, this month after the birth of her daughter Olivia. **FUN FACT:** Louise is a huge Disney fan.

### Charity Football Tournament

All of Oliver's dearest friends and family took part in a football tournament for charity, football being one of the many things that Oliver loved. 10 teams were there on the day and played games in the 'Jager cup'. It was a great day, planned by all involved, raising money for a good cause.

### Bonfire Night

Guy Fawkes Day, also called Bonfire Night, British, celebrated on November 5, commemorating the failure of the Gunpowder Plot of 1605. Now every year we gather with friends and family for a fire and fireworks.

However, remember when we have fires to A, not just throw anything into a fire. Items such as aerosols and plastics can be extremely dangerous. B, be safe around big bonfires do not get too close. If there is anything you're looking to dispose of, instead of throwing it into a fire give us a call and we can help advise what to do with it or collect it safely.
